Terminal  
Disclaim  
10/02/02  
H. [Signature]

Sir:

I, Thomas W. Brown, am an attorney of record in the prosecution of the patent application captioned above and am empowered to act on behalf of the Assignees.

The Assignee, MASSACHUSETTS INSTITUTE OF TECHNOLOGY, a Massachusetts corporation, 77 Massachusetts Avenue, Cambridge, MA 02139-4307 is the sole owner of one-hundred percent (100%) interest in the instant application.

Petitioners hereby disclaim, except as provided below, the terminal part of the statutory term for pending **CLAIM 22 and CLAIM 22 only** as recited in any patent granted on this instant application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173 of U.S. Patent No. 6,105,968, and hereby agree that pending Claim 22 recited in any patent so granted on the above-identified instant application or any patent subject to the reexamination proceeding shall be enforceable only for and during such period that pending Claim 22 recited in said patent is commonly owned with United States Patent No. 6,105,968, this agreement to run with any patent granted on the above-identified instant application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, in the event that, once issued, the patent corresponding to U. S. Patent No. **6,105,968** should expire for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under, has all claims cancelled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term.

Enclosed herewith is the fee set forth in 37 C.F.R. § 1.20(d) in accordance with 37 C.F.R. § 1.321(c).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
